### **Advance Deposit**

All Lodge guest room reservations require one (1) night's room and tax deposit to secure each reservation. Generally this deposit is charged via credit card provided at time of reservation. Note the credit card provided will be charged room and tax charges for one night. Please allow 24 hours for credit card processing. Should you wish to make deposit payments by cash, check, or other means, reservations can be held for a limited period of time to make such payments, but this is subject to availability and timeliness of receipt. Some group contracts may deviate from this deposit policy.

### **Cancelations of Reservations**

Given the limited opportunity to attempt to re-sell previously reserved rooms, cancellation of a reservation made within five (5) days of confirmed arrival date will result in forfeiture of one night's room and tax deposit. Guest's canceling reservations six (6) or more days prior to confirmed arrival date will be entitled to a refund of advance deposits. Refunds will be credited in the same manner in which they were made.
